POLICY FOR HANDLING OF ORDERS

1. BACKGROUND

Exchanges vide it's circular NSE/INSP/6528 dated June 21.2024 and 20240622-2 dated June 22, 2024 pertaining to 'Policy on Handling of Good Till Cancelled Orders offered by Members to Clients' mandated trading members to formulate a policy in case they offer "Good Till Cancelled" / "Good Till Triggered" orders or orders of similar type. Currently company is not handling any such kind of order.

2. ORDER TYPE HANDELED BY THE COMPANY

Currently Company is handling following orders: -

- a) END OF SESSION (EOS): It is a kind of order that placed in the financial markets that can executed till the end of the trading session or market close. It's used to finalize trades or adjust positions before the market closes for the day.
- b) IMMEDIATE ORT CANCEL (IOC): It is a kind of order in financial markets that must be executed immediately. Any portion of the order that cannot be filled right away is cancelled. In other word, It's a way to ensure that the order is either fully executed as soon as possible or not executed at all, with any unfilled part being discarded.

Whenever company will start the order i.e. "Good Till Cancelled" / "Good till Triggered" or any other orders of similar type company will amend the policy in compliance with exchange requirement.

The most common types of orders are market orders, limit orders, and stop-loss orders. A market order is an order to buy or sell a security immediately. This type of order guarantees that the order will be executed, but does not guarantee the execution price

3. POLICY REVIEW

The said policy shall be reviewed as and when required.
